DETAILED ACTION

1. This office action is issued as a supplemental action to the Notice of allowance mailed 2/5/2008. It also responds to the applicant's response dated 2/29/08 in which the applicant pointed out that the Notice of Allowability did not confirm the priority to a foreign application.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Att. Eric Hyman (Reg. No. 30,139) on 3/14/08.

The application has been amended as follows:

Please amend the abstract to read as follows:

ABSTRACT

A method for processing business transaction data. Data concerning business transactions are recorded. Predetermined accounts in which the values of the business transaction should effect a corresponding change of account values are associated

with each business transaction. A record identifier which unambiguously identifies a ledger structure is associated with a corresponding book data set each of which has an account identifier. An account object is formed for each account. An account object of a book account with which the selected ledger structure, and at least one account object of a cross-account are selected. The book data set and at least two partial entry data sets are generated. The at least two partial entry data sets are sent to the appertaining account objects of the book account. The partial entry data sets are received in the account objects and are stored in order in the appertaining store structures.

2. Acknowledgment is made of applicant's claim for foreign priority under 35 U.S.C. 119(a)-(d). The certified copy has been filed in parent Application No. PCT/EP01/03844, filed on April 4, 2001.
